DISNEY-MGM STUDIOS THEME PARK

First came the Magic Kingdom. Then the incredible Epcot Center. Now comes the ultimate–the Disney-MGM Studios Theme Park.

It's a fabulous new day of Hollywood adventures at the **Disney-MGM Studios Theme Park**!

Begin your vacation here, in the middle of the hubbub of Hollywood in its heyday. Meet talent agents, budding starlets, actors, blabby gossip columnists, cops and cabbies who humorously recreate Hollywood of the 1940's.

For authentic movie memorabilia, shop at **Sid Cahuenga's One Of a Kind**. You can buy movie props, artwork and personal items used by the stars.

At the end of the Boulevard, the Chinese Theatre — icon of movie-goers around the world — welcomes you to **The Great Movie Ride**. As you enter, you'll see the immortal footprints and handprints of stars! Once underway, you'll discover the real thrill of making movies as you travel in theatre-size cars through the romance, laughter and heart-pounding action of Hollywood's most classic films.

Now for the ultimate thrill adventure — **Star Tours**, presented by M&M's® Chocolate Candies. The product of the creative forces of Disney and George Lucas, **Star Tours** takes you on an intergallactic tour conducted by — ooops! — a **rookie** droid. Your spaceship will careen out of control up, down and around, until your final brush with the Death Planet itself!

The fun just keeps comin' as you'll discover at **"Here Come the Muppets!"** a

fabulous new show featuring the Muppets, live and on film in a whole new entertainment extravaganza! And now playing at Theatre of the Stars is **"Hollywood! Hollywood!"** a glittering extravaganza of live entertainment.

More excitement across the plaza. Hey, dudes! It's the **Teenage Mutant Ninja Turtles!®** In person! After their showmanship, you're ready for the daredevil performance at **Indiana Jones Epic Stunt Spectacular** — if your heart can stand it! You could be selected as an extra in these riveting demonstrations of skill as Indiana out-manuevers an immense rolling stone in re-enacting some of Hollywood's most hair-raising scenes!

For some side-splitting comic relief, **The Monster Sound Show**, presented by SONY®, is an ear-opening experience. You could be chosen to add sound effects to a riotous film to make it even funnier! Afterwards, don't miss the hands-on fun. Dub your own voice into famous movie scenes. Experience surround sound. There's fun all around, too! SONY® also presents **SuperStar Television** where you can be cast as a star in a live production of a favorite TV show! What an opportunity! The shows produced present a history of TV from early morning through late night.

There's so much to see and do at the Disney-MGM Studios Theme Park in addition to all the excitement of seeing movies actually being made! Stroll around Echo Lake and visit **Dinosaur Gertie's** for an "Ice Cream of Extinction." Or stop in at **Min and Bill's Dockside Diner**, permanently moored on the lake. You can cater to the ham in you at **Calling Dick Tracy** where you can star in your own home video. The results are hilariously entertaining!

DISNEY-MGM STUDIOS THEME PARK *Continued*

Keep your energy up for all that's yet to come by having a good lunch or dinner. Try the stylish **Hollywood & Vine** where art deco reigns supreme; dine at **The Hollywood Brown Derby**, restaurant of the stars; the **50's Prime Time Cafe and Tune-In Lounge**, a sit-com déja vu experience; **Soundstage Restaurant**, an actual movie set; or any of the restaurants offering you a wide variety of meals and snacks.

Once you're fortified, head for the **Backstage Studio Tour** where you'll get a close-up look at movie-making magic! This is where "The New Mickey Mouse Club" shown on The Disney Channel is filmed along with other movies and TV shows.

You could even be a part of the audience in the revival of **"Let's Make a Deal,"** regularly produced right here on the **Disney-MGM Studios Theme Park** soundstages.

Your tour begins aboard a **Backstage Shuttle** which takes you through costuming and set design before you ride through back-lot streets used as backdrops for first-run TV shows and box-office hits. Along the way you'll spot props from famous movies. Before your shuttle drops you off for a walking tour, you'll experience an exciting adventure at **Catastrophe Canyon** where floods, fires and explosions transform that canyon wall into a mountain of trouble!

But the tour is just warming up. Here's your chance to stroll the backlot streets of New York on your own and learn what forced perspective is all about. While you're exploring, stop by **The Loony Bin** for some great gifts and a feeling of being in "Toon Town." Then it's time to uncover the secrets of special effects. High-seas adventure will take place at the **Special Effects Tank** where you'll see how sea battles and storms are

created for film. You'll tour a special effects workshop where some tools of the trade used in classic movie production come to life.

Finally, your tour takes you to three specially-designed soundstages that allow you to look down on the action during actual movie or TV production! You'll walk onto a fourth soundstage to get the feel of being "on the set."

And now for the ultimate in movie-making — **The Magic of Disney Animation!** You may want to put this at the top of your list of things to see since this is where it all began!

In this working animation studio some famous personalities will give you a lesson in the basics of animation. You'll learn how the artist must think like the character he or she is creating — much as an actor must in order to play a role. As you tour the studio, you'll see artists creating Disney characters right before your eyes! Your visit also includes a tour of the **Animation Gallery**, a jewel of an exhibit which displays some of Disney's historical animation art in an elegant atmosphere. You can even purchase a cel for your very own!

Shops line Hollywood Boulevard offering special Disney merchandise, candies and sundries. There are even opportunities to appear on the cover of your favorite magazine, and to record your own music video!

From start to finish, your day at the **Disney-MGM Studios Theme Park** is filled with the energy and fun of Hollywood at its best!

THE MAGIC KINGDOM

Ear comes the fun! You're invited to "Mickey's Magical TV Special" at Mickey's Starland–an all-new land teeming with surprises!

Who is that moving into your photo of **Mickey's Starland?** Why, it's the Big Cheese himself, and the whole gang is right behind him. Just one more reason why the Magic Kingdom is the greatest place on earth to make memories.

You'll get some terrific shots if you grab your camera and catch a train at the Main Street Railroad Station for a whimsical ride to **Mickey's Starland**. When you arrive, walk through Mickey's house and out the back door to **Mickey's Magical TV World**. Once inside, Mickey will introduce you to cartoon greats who appear regularly on "*The Disney Afternoon*" on The Disney Channel. The Gummi Bears, Zummi and Gruffi, make appearances as do Chip, Dale and Gadget of **Chip 'N Dale Rescue Rangers** along with Scrooge McDuck and Launchpad McQuack of **DuckTales**. All of them appear LIVE on Mickey's Magical TV Special which gets Scrooge McDuck into a terrible fix. It's great entertainment for the whole family!

Now it's time to board **Dreamflight**, presented by Delta Air Lines, the Official Airline of the Walt Disney World Resort. You'll explore the history of air travel from barnstorming to hypersonic flight. Add some fantasy to your vacation by flying with Dumbo or joining Peter Pan and Wendy as they glide through the skies of London. Sail with **Pirates of the Caribbean**, too, and dance with happy haunts at **The Haunted Mansion**. Rafts will take you across **Rivers of America** to the unique **Tom Sawyer's Island**.

For a thrilling ride through the excitement of the Gold Rush, catch the **Big Thunder Mountain Railroad**. And before your vacation is over, make certain to see the **Diamond Horseshoe Jamboree** — a live floor show in **Frontierland®**.

Plan your trip just right and you'll catch some of the special attractions that light up the night during summer and holiday seasons — the **Main Street Electrical Parade** and **Fantasy in the Sky** fireworks. They add magic and festivity beyond your imagination!

Shopping, dining, and learning about these seafaring people are all a part of the Norway experience.

the Yangtze River, and across that vast country. In **Japan**, you can stroll through formal gardens, visit the Bijutsu-kan Gallery and shop in the Mitsukoshi Department Store.

At the charming **United Kingdom**, you'll want to stop for tea at the Rose & Crown Pub, then shop for Royal Doulton figurines and authentic Scottish woolens. Your visit to **Italy** takes you to St. Mark's Square in Venice where you can laugh with street players who may trick you into starring in an impromptu performance.

Centerpiece of **The American Adventure**, presented by American Express and Coca-Cola, is an inspirational multi-media, multi-dimensional tribute to the American Dream. Inside the rotunda, American treasures are displayed, including words and pictures that tell of courage and determination.

TYPHOON LAGOON

After the parks, spend the day at Typhoon Lagoon, the world's largest inland surfing lagoon!

Keep a sharp eye out for **Mount Mayday**. It rises an impressive 90 feet into the air and is topped by the wreckage of the fabled shrimp boat, **Miss Tilly**. Together they form the landmark of **Typhoon Lagoon**, an all-new water adventure experience at the Walt Disney World Resort. Then get ready to scream down 51 feet of this manmade watershed mountain at 30 miles per hour on the **Humunga Kowabunga**.

You'll get some amazing photos for your vacation album at **Typhoon Lagoon**. Every 90 seconds, you can catch an ocean-sized wave big enough for body surfing as it skims across the lagoon and pounds the shore with the rhythm of the tides!

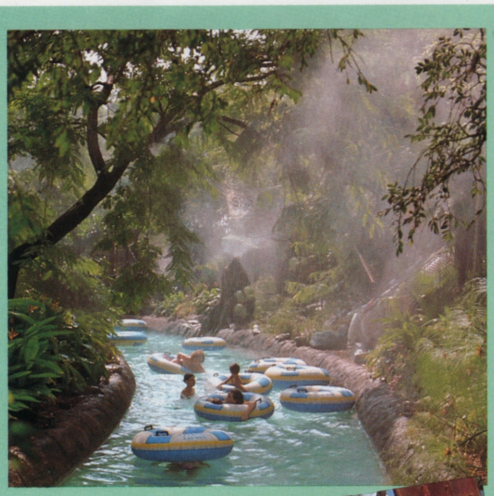
For competitions and other special occasions, the lagoon can produce waves six feet high. And of course, it's surrounded by a beautiful beach!

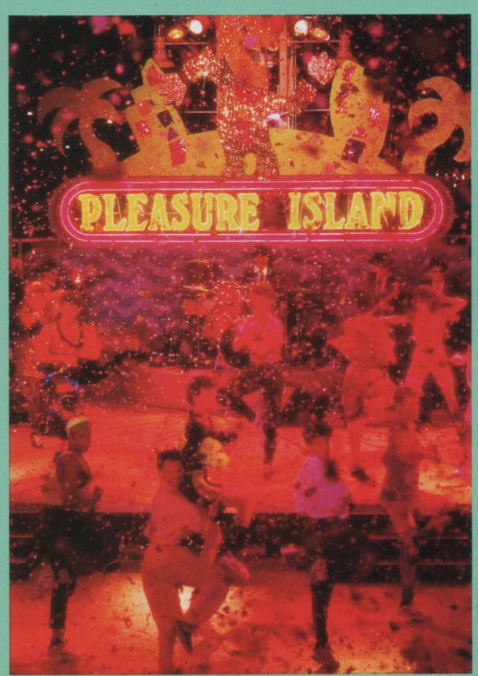
Plenty of water thrills and family raft rides surround the lagoon. **Rudder Buster, Jib Jammer**, and **Stern Burner** wind down 36 feet. You'll splash through bubbly pools, waterfalls, caves and geysers at 20 mph. **Mayday Falls** and **Keelhall Falls** give you a ride on tubes through a mixture of caves, waterfalls and cascading special water effects at around 10 mph. **Gangplank Falls** accommodates four people in each gigantic tube which slips down rapids and through water wonders and rock formations at a comfortable 5 mph.

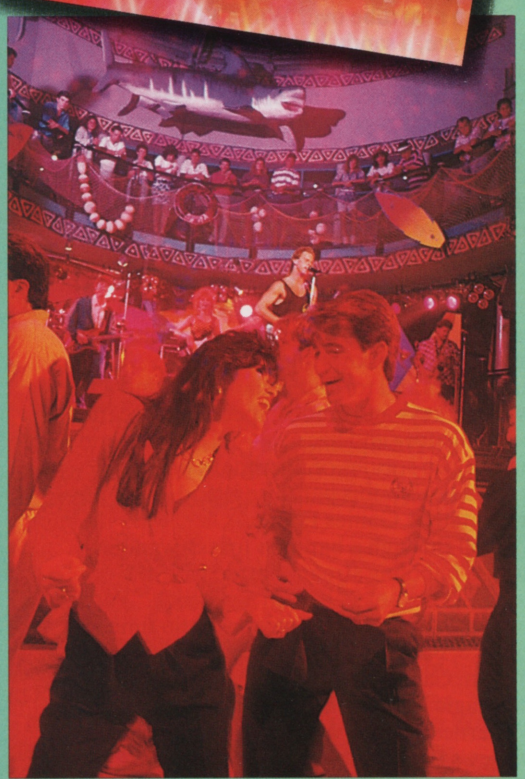
For real adventure, head for **Shark Reef**, a salt-water lagoon with an ecology designed to support sea life. You'll come face to face with **live** shark as you snorkel around an upside down shipwreck. Or stay dry and watch the action from inside!

Typhoon Lagoon is just as exciting for small fry. At **Ketchakiddee Creek**, slides, ball fountains, floating boats, waterfalls and squirting animals are for kids only. Nearby is a nice shady spot for Mom or Dad to watch.

Transportation around **Typhoon Lagoon** is provided on **Castaway Creek**, a continuous river which carries you by innertube from station to station at a comfortable pace. It's a wonderfully lazy way to enjoy this incredible park.







PLEASURE ISLAND

Six acres of spectacular nighttime fun features a New Year's Eve Party every night of the year!

Fireworks explode with sizzling color as searchlights catch confetti raining from the sky. Dancers pick up the beat and the party is ON as revelers join a Street Party from these six clubs:

RIVER COUNTRY & DISCOVERY ISLAND

Flume through Hoop 'N Holler Hollow at River Country, spot a gator at Discovery Island or do both with a combination ticket for two delightful parks.

Separated by a beautiful bit of Bay Lake, **River Country** and **Discovery Island** are two more reasons to plan an extra day at the Walt Disney World Resort!

The big thrills at **River Country** come from two flume rides, which corkscrew through lush greens into sparkling Bay Cove. You can also tube over White Water Rapids to the cove, a sandy-bottomed section of Bay Lake made into the best darn swimmin' hole this side of Huck Finn's dreams.

Swing on a rope while you're there, sun on a sandy beach, scream down SPLASH! into a brilliant blue pool, roam a delightful nature trail or picnic on the beach. Everything you need is here, including burgers, snacks and refreshing drinks.

Just a boatride away is **Discovery Island**, set like a jewel in Bay Lake. Lemurs and wallabys, miniature deer, marsh rabbits and cavies, brush turkeys and hornbills, marmosets and tortoises, flamingos and swan, turkeys and cranes, spectacular scarlet ibis, alligators and lizards — all of them and many more species of mammals, birds and reptiles live on this paradise island, presented by Gaines Foods.

Stroll through a bamboo forest, wander along a babbling stream dotted with trumpeter swan, walk with a peacock. Watch a wallaby. Spend as much or as little time as you like, but don't miss this special island in the sun. RECREATION

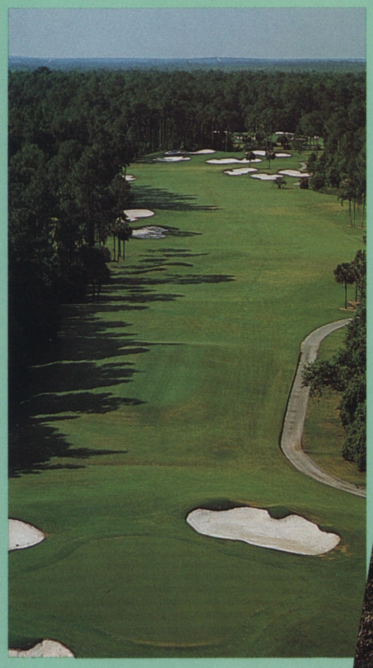
The Walt Disney World Resort is a total vacation destination. Besides the greatest entertainment in the world, there is sailing, golf on three 18-hole championship courses, tennis, boating and more! Better make sure you allow enough time—it takes four days just to see the parks!



We'll fill your vacation with as much fun as you can handle.

Take golf, for example. It doesn't get much better than this. Play the Magnolia, the Palm, and the Lake Buena Vista Courses. All three are spectacularly landscaped and manicured par-72 championship courses played by the pros each year during the Walt Disney World/Oldsmobile Golf Classic, an annual stop on the PGA Tour.

Check out the tennis, too. Fifteen lighted courts are scattered throughout the Walt Disney World Resort. Sign up for a clinic if you like, or challenge the ball machine. Pros and proper equipment can help you improve your game.

Meanwhile, the waterways of the Walt Disney World Resort are teeming with opportunities for a good time. Marinas invite you to take a spin in a mini-speed boat, or to sail a catamaran or sunfish. Paddle boats, canoes and pontoons complete the selection. If you like to waterski, it can be arranged. So can a fishing excursion. They're all the more enjoyable because only Disney-owned watercraft are permitted on our waterways.

Running, biking, jogging, fitness trails, health clubs and horseback riding trails are also part of the recreation. Nearly all of it — including 20 swimming pools — is reserved for the use of resort guests. So plan on as much healthy exercise as you want. It's all here at the Walt Disney World Resort!

There's only one thing better than visiting

Guests at any of our nine luxurious resorts within a resort are guaranteed admission to all our theme parks, and complimentary use of transportation linking them. Advance reservations at dinner shows and for dining at Epcot Center and restaurants around our World are also among the privileges of Disney Resort guests. DISNEY'S YACHT AND BEACH CLUB RESORTS

TWO NEW EPCOT RESORTS

All the fun of living at a New England beach is just steps from Epcot Center! Rooms from $175.

Within easy walking distance of the new International Gateway entrance to Epcot Center are Disney's newest resorts--**Disney's Yacht and Beach Club Resorts**.

Although separate, the two blend like a watercolor painting into one shared impression. These distinctive resorts echo the oyster grey clapboards and blue and white "stick" houses reminiscent of grand old hotels along the craggy Eastern seaboard. Hardwood floors, rich millwork and brass trim elegantly underscore the nautical theme of **Disney's Yacht Club Resort** while **Disney's Beach Club Resort** has a carefree flavor all its own, accented by boardwalks and a croquet lawn.

Joining the two is a shared fantasy lagoon called "Stormalong Bay." Sprawled along

he Walt Disney World Resort. Staying here!

the shore of a sparkling lake, this imaginatively themed pool area uses specially treated water to allow fish to swim right along with you!

"Stormalong Bay" is filled with delightful pools and water areas. The fun is divided into three stages. There's a quiet beach where you can enjoy a peaceful environment. A second area offers exciting water activities, including two sensational slides incorporated into a "shipwreck." There's an active lagoon with bubbling jets of water, a whirlpool and rising sand. The third area offers the opportunity to swim with freshwater fish.

Disney's Yacht and Beach Club Resorts offer amenities you'll love--a marina with a watercraft fleet for rent, lighted tennis courts, a state-of-the-art health club with massage therapy available daily, a croquet court and a volleyball court.

Washed with the colors of Old Glory, your accommodations at **Disney's Yacht Club Resort** reflect the tastefulness of a New England inn and the thoughtfulness of a gracious host. At **Disney's Beach Club Resort** broad strokes of pastels carry the beach theme to warm and wonderful appointments from yester-year. Dining is equally reminiscent of the good times at the seashore. At **Disney's Yacht Club Resort**, enjoy **The Yachtman's Steakhouse** or the **Yacht Club Galley**. Meanwhile, over at the more informal **Disney's Beach Club Resort**, you can participate in an authentic New England-style Clambake every night of the year, or enjoy the specialties and buffet at **Ariel's** and the **Cape May Cafe**.

Lounges, pool bars, shops, an old-fashioned soda shop, game room and kids' club complete the picture of a perfect vacation!

For over fifty years, Disney has taken the business of fun very seriously. They are, after all, responsible for the enjoyment of millions of vacationers across the globe.

At National®, we take our share of the commitment as seriously as Disney does theirs. Which is why we've been providing vacation goers with convenient locations, quality service and "no surprise" pricing since 1947.

And why renting from anyone else is positively...goofy.
